

HACIENDA *La Minita*

Jardín Single Farm Offerings Colombia 2018

Antioquia is one of the oldest traditional areas of coffee production in Colombia and the region has been long recognized for its coffee quality. La Minita’s Antioquia mill, located in the quaint town of Jardín, developed a quality program that rewards producers for their best coffees. Every harvest season, we source a number of single farm offerings that receive our mill’s 15 cent quality premium for exceptional coffees.
